### What is S.E.A.C?

Under Ontario's Education Act, every student is entitled to a program which meets their needs. In Durham, our Special Education Advisory Committee (SEAC) helps the Board protect the rights of students with special learning needs. SEAC provides information, advice and assistance to parents/guardians whose children may require additional support.

SEAC advises and makes recommendations to the Board concerning the establishment and development of special education programs and services.
